Experience

Industrial Designer
Future Factory
June 2025 to Current - Mumbai, India
• Design and Development for Consumer Products.

CMF Design Intern
Maruti Suzuki India Limited
Jan 2025 to May 2025 - Gurugram, India
• User Research, Trends Research, Storytelling.
• 3D Texture & Illumination Pattern Design & Development with Grasshopper.

Product Design Intern - 2023
Webby Toys Pvt Ltd
June 2023 to July 2023 - Delhi, India
• Designing an Interactive Board game for age 6+.
• Design for Manufacturing- Injection Moulding.

Product Design Intern - 2022
Webby Toys Pvt Ltd
May 2022 to July 2022 - Delhi, India
• Designing a STEM DIY Game for children aged 10 to 14.
• Design Research, Concept Generation, Ideation, Market Research, Competitor Analysis, CAD, Prototyping.
• Workflow Design for Pine wood toy for designing efficiency by at least 50% and manufacturing efficacy by 20%.

Application Engineer Trainee
Objectify Technologies Pvt. Ltd
January 2021 to June 2021 - NOIDA, India
• [Re]Designing for Additive Manufacturing (DFAM).
• Designing Conformal Cooling Channels for Injection Moulds.
• Providing Quotations for RFQ from Clients.

Certifications

Certified Solidworks Professional
Mechanical Design (CSWP)

Certified Solidworks Associate
Additive Manufacturing (CSWA)

Achievements

North India Gold Medalist in Regionals- Competition for Worldskills
Mechanical Engineering CAD- North India Competition

State Gold Medalist in State Competition for Worldskills
Mechanical Engineering CAD- Delhi State Competition

Education

Offsite Pro 2024
Advanced Design
June 2024 to August 2024 - Chicago, Illinois

Bachelors of Design (B.Des)
Delhi Technological University
August 2021 to July 2025 - Delhi, India

Diploma in Tool & Die Making
Delhi Institute of Tool Engineering
August 2017 to July 2021 - Delhi, India

Skills

3D Modelling
Rhino
Grasshopper
Solidworks
Inventor
Fusion 360

Rendering
Keyshot

Creative Cloud
Illustrator
Photoshop
Indesign

Digital Sketching
Sketchbook Pro

Design
Interviewing & Surveying
Illustration
Traditional ID Sketching
Presentation
Advanced Surfacing
Visualization
Computational Design
